THE SNEAKY SHADOW STRIKES

Mrs. Van Wealthy's charity ball was a big success. Every rich family in town was there. There were millions and millions of dollars worth of diamonds and precious jewels draped around the necks, wrists and fingers of the ladies. It was a jewel thief's paradise!

"Are you having a good time, Sergeant Flint?" Mrs. Van Wealthy asked the policeman who was on secret, guard duty. Mrs. Van Wealthy's estate was better protected than Fort Knox, but Sergeant Flint didn't like to take chances. That was why he personally volunteered to represent the police force at the party.

"Thank you for asking, but I'm not here to have a good time. I'm here on official, police business," answered the sergeant as he snapped to attention and saluted the sponsor of the charity ball. "I'm here to protect your diamonds!"

"Having you here makes me feel very safe," stated Mrs. Van Wealthy as she touched her diamond necklace.

Just then, the band stopped playing slow music and they started to play rock and roll. The lights dimmed and everyone began to bounce and shake and quiver in time to the music.

"Will you join me, Sergeant?" asked Mrs. Van Wealthy as she began to sway back and forth in time to the catchy music.

"Why not? All work and no play makes a policeman a wallflower," joked Sergeant Flint as he began to dance.

The dance floor was covered with all shapes and

sizes of twitching, quivering, shimmying shadows. No one paid any attention to the eerie, creepy, spooky shadows that bounced around the room — not even Sergeant Flint. They were just ordinary shadows and nothing to be alarmed about — or were they?

One, sinister shadow sneaked along the wall, and then moved through the crowd of dancing people. The guests didn't notice anything strange about the shadow, even though it didn't seem to belong to anyone. No one knew that it wasn't a real shadow. No one guessed that it was really "Sneaky Shadow" — the Master Jewel thief! No one suspected that a robbery was in progress until it was too late.

"EEK! I've been robbed! My necklace is gone!" screamed Mrs. Van Wealthy when the music stopped.

"I've been robbed, too!" echoed another woman, and then another and another. Every piece of jewelry had been stolen.

Sergeant Flint quickly phoned the police station to get reinforcements. If he could surround the house, maybe he could stop the sneaky shadow from escaping.

"Hello, this is your local, police station. Crime is our business! This is Rosemary speaking," said Policewoman Rosemary when she answered the Sergeant's call.

Mild-mannered Penry, the janitor, leaned close to the switchboard in order to hear what the Sergeant was saying.

"The Sneaky Shadow thief has robbed Mrs. Van Wealthy's house! Send reinforcements!" shouted the Sarge.

"The Sneaky Shadow is at Mrs. Van Wealthy's charity ball? This sounds like a job for Hong Kong Phooey!" mumbled Penry as he dashed toward the file cabinet in the other room.

Penry dove into the file cabinet as a meek janitor and then came out as that master crime fighter, Hong Kong Phooey!

Within seconds, Hong Kong Phooey and his mascot, Spot, were on their way to the Van Wealthy Estate. When they arrived, Hong Kong didn't bother to go through the door. He jumped right through a window. Unfortunately, he forgot to open the window first and crashed through the glass and fell flat on his face on the dance floor.

"Hong Kong Phooey! I'm so glad you're here!" exclaimed Mrs. Van Wealthy. "You'll recover our jewels, won't you?"

"Hong Kong Phooey never fails," answered Hong Kong as he stood up and dusted himself off.

"How are you going to find out which shadow is the Sneaky Shadow?" asked Sergeant Flint. "This room is full of shadows!"

"I'm going to karate chop every shadow in this room. When I find one that screams, I'll have the thief!" Hong Kong answered.

Hong Kong Phooey began to chop at every shadow in the room. Everytime he chopped or kicked at a shadow, his foot or hand went through the floor and wall and made a big hole. Soon, the room looked like a giant piece of swiss cheese.

"Don't hit me!" screamed the last shadow in the room as Hong Kong raised his arm to deliver his final, karate chop. "I give up!"

The last shadow was the Sneaky Shadow himself. He took off his costume to reveal his body and then he returned the jewels. Sergeant Flint arrested the shadow. Hong Kong Phooey had triumphed again!

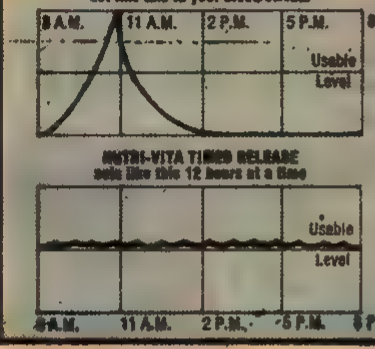
"Thank you, Hong Kong Phooey! You're a real hero!" said Mrs. Van Wealthy.

"It's all in a day's work," answered Hong Kong as he leaped out of a window. Once again, he forgot to open it and crashed right through the glass and fell flat on his face on the lawn.

Revolutionary New Timed-Release Nutrient Tablet

AUTOMATICALLY REPLACES THE VITAMINS YOUR BODY USES UP, EVERY SECOND OF EVERY DAY!

Actually meters out 42 active vitamins, minerals and essential amino acids . . . hour after hour . . . in a continuous fresh supply.



These three biological breakthroughs make NUTRI-VITA dramatically more effective:

1. TIMED RELEASE. Ordinary tablets and capsules dissolve immediately and begin to leave the body. Nutri-Vita stays in your blood stream for all day, all night action.

2. CHELATED MINERALS. Nutri-Vita's minerals are biologically bonded to protein. This makes them more available to your system than ordinary mineral supplements.

3. INGREDIENT ISOLATION. Many vitamin and mineral combinations actually **neutralize themselves on contact**—in the tablet or in your stomach. Nutri-Vita's ingredients stay separate—**and effective** until your body uses them.

Vitamins, minerals and amino acids—are essential to human health. No wonder millions of Americans choose to augment their family's diet with a vitamin-mineral supplement every day.

But up to now, NO supplement could give you the vitamins, minerals, and amino acids you need . . . at precisely the moment you need them. NUTRI-VITA does! Because unless all the right ingredients are furnished at the right time, many of the nutrients in the food you eat will be wasted.

SCIENTIFICALLY FORMULATED FOR MAXIMUM BIOLOGICAL VALUE. Fifteen years in the development, Nutri-Vita has been used and tested by hundreds of world champion athletes, and by ordinary men and women all over the country. They report increased endurance*, greater capacity to handle heavy workloads**, and less fatigue*** when using Nutri-Vita as compared to any preparation they used before. **Nutri-Vita even helps maintain energy levels while dieting****.

That's because Nutri-Vita's formulation is not only nutritionally superior in itself, it incorporates totally new concepts of manufacture that provide maximum biological value for your body.

Here is how this special nutritional supplement achieves the kind of superior action that has never been available from any tablet or capsule before:

ROUND-THE-CLOCK NUTRIENT PROTECTION. Vitamins (except A, D, E, and K) are water soluble and cannot be stored in the body for later use. Any excess is passed through the body and lost. With supplements that dissolve all at once, therefore, the vitamin level may quickly peak at far more than the tissues can use at any one time—then just as quickly sink to the previous level. So even though you take a high potency supplement you **may actually be vitamin starved for most of the day!**

Nutri-Vita tablets, on the other hand are timed release . . . **to meter out fresh nutrients constantly.** They rise to the proper level for maximum utilization in your blood, ready for your body to use them as it needs them—for up to 12 hours at a time. By taking Nutri-Vita just morning and night, you get round-the-clock nutrient protection that's substantially more available to your system than the same amount of vitamins in ordinary capsules and tablets.

POTENCY PROTECTED. Many products ignore the fact that certain vitamins and minerals are chemically incompatible and react very readily to neutralize each other. That is why all of the ingredients in a Nutri-Vita tablet are isolated from each other by a special patented process. This keeps them potent until the moment of absorption into the blood stream, where deactivation is no longer a problem. With Nutri-Vita, **your body gets what the label says.**

Nutri-Vita is many times more active because, we use a process known as chelation (from the Greek "kelos" for claw). In it, minerals are bonded to protein with a biochemical "claw." Masked by the protein, the minerals now seem organic to your body and are readily absorbed. This process is so effective that studies have shown chelated minerals to be more available to the body than ordinary minerals. All minerals in Nutri-Vita are chelated.

PLUS ALL THE ESSENTIAL AMINO ACIDS. Proteins are the building blocks of tissues. And amino acids are the building blocks of protein. Those amino acids which the body cannot manufacture for itself are called essential amino acids and must be furnished every day. Nutri-Vita releases the eight essential amino acids into your blood stream all day long—ready at meal times and snack times to help complete the proteins in the food you eat.

Famous National, Olympic and World Record Champions Compare Nutri-Vita in these unsolicited comments:

"Strength has increased without a concurrent weight increase."
Richard D., Weiss—Two-time N.J. Decathlon Champion

"Personally, my teammates . . . and I can feel the beneficial effects of Nutri-Vita hours after ingestion . . . the inclusion of protein (maintains) energy levels while dieting."
Richard E. Morris*—Greater Atlantic Coast Powerlift Champion, 1974**

"Our crew was introduced to Nutri-Vita . . . while we were preparing for . . . the Royal Henley Regatta in England. I was very impressed with how the oarsmen responded. They seemed to recuperate faster and their overall fatigue level was improved."
Gary Klipstein*—Varsity Lightweight Crew Coach, Princeton University**

"Nutri-Vita (makes) hard work seem a lot easier. As I am not a chemist, I can not understand how it works, but as an athlete, I know it does work."
Carl Barisich, Cleveland Browns

"I have used Nutri-Vita for over two years now, and have felt quite a difference in my training and performance. Nutri-Vita helps recovery time and increases endurance."
Fred Somers*—1975 National AAU Decathlon Champion**

"We used (Nutri-Vita) with both university swimmers and age group swimmers. The most noticeable effect being increased capacity to handle heavy work loads in training . . . Excellent and a valuable asset to athletes."
William Farley*—Varsity Swimming Coach, Princeton Univ. Coach, Eastern Collegiate Swimming Championship Team, 1973, 1974**

IMPORTANT NEWS IF YOU SMOKE. Tobacco and vitamins are antagonists. A cigarette destroys vitamin C in your system. Nutri-Vita helps protect you against such deficiencies by constantly releasing a fresh supply of vitamins after every cigarette. It's the round-the-clock source of all the nutrients your body is known to need, in the form it can use them best.

NUTRI-VITA WILL WORK FOR YOU OR YOUR MONEY BACK. Would you like to provide your family with "vitamin insurance"? Nutri-Vita can give you the help you need. Because Nutri-Vita provides large doses of nutrients in a concentrated form every hour of every day. That way your body selects exactly the nutrients it needs at exactly the moment it needs them. Doesn't this make much more sense than assaulting your system with a massive dosage of vitamins once a day, many of which will be simply excreted?

See for yourself whether Nutri-Vita helps make you and every member of your family feel the way famous athletes say it makes them feel . . . "Stronger and more energetic hours after they take it." Nutri-Vita makes sense to them. Try Nutri-Vita for 30 days and see if it doesn't make sense to you, too. Satisfaction guaranteed or your money back of course.
